MISSION

To provide basic medical and dental care, diagnostic services and prescription drugs to low income, uninsured residents of Brunswick County and to enhance the quality of life, while preserving the privacy and dignity of every patient.

New Hope Clinic in 2015 -

It has been a busy year here at NHC, with many things to be thankful for! Over the last year, New Hope Clinic has provided over 13,000 free 30-day prescriptions, 2,800 medical visits, and 235 dental visits to nearly 950 patients and had 115 attendees for diabetic education classes. We are also excited to announce that in 2015 we opened a satellite clinic co-located with Brunswick Family Assistance Agency in Shallotte to better serve those from the southern end of Brunswick County with limited transportation. Our dental clinic also began providing restorative and hygiene appointments, in addition to continuing to serve those in need of extractions.

We have a genuinely supportive community! It takes all sorts of help to ensure those in need have access to healthcare - 150 volunteers have given their time to support NHC's operations this year. We also thank all of you who helped with or attended our various fundraisers and events over the last year as well - Art With Heart, Go Jump In the Lake, The Sunset Beach Concert Series, Listen Up Brunswick County Concert Series, Mike's Garage Band concert, and the many events other organizations hosted to benefit NHC and other worthy organization. Many thanks to all who volunteered, donated, or simply spread the word about us to their community. We look forward to continuing to have your support in 2016. Thank you again, and Happy Holidays!

What Do Patients Like Best About NHC?

"They treat you like you're somebody important even without insurance"

"Very friendly and clean"

"Nurses, staff. Everyone is great and never have a problem answering my questions"

"Availability of dental services & testing for other issues"

"Life Savers!"

"Location & Availability"

"Administration & all staff keep me informed and are so helpful. Nicest group of people I have ever met."

"Being attentive to me and concerned about my health and well being"

Need Health Insurance?

Open Enrollment is **November 1, 2015 - January 31, 2016**

In 2016, the fine for people who choose not to get coverage is increasing to \$695 per adult household member or 2.5% of a household's income, whichever is greater, if your income is high enough to require you to file a tax return. So get covered today! Anyone can enroll between Nov. 1—Jan. 31. After that, you will have to have a special set of circumstances.

SHALLOTTE CLINIC
In November we were delighted to partner with Brunswick Family Assistance Agency to open our new satellite clinic in Shallotte. Patients are seen there on Tuesdays, and other days based on provider availability. The opening of this clinic in the southern part of Brunswick County will help us to serve more of the patients with limited transportation who struggle to get to Boiling Spring Lakes.

DONATIONS FROM SHALLOTTE PRESBYTERIAN CHURCH & LIONS CLUB

On November 13th Bill Johnston from the Shallotte Presbyterian Golf Committee and Rev. John Causey, pastor of Shallotte Presbyterian and a member of the Shallotte Lions Club presented Sheila Roberts, Executive Director of New Hope Clinic with checks for the new satellite clinic. We are very grateful for their support !

THANK YOU!

Each and every patient receiving care within the walls of New Hope Clinic is among a unique population. They are a hardworking class of citizens who earn too much to qualify for Medicaid, yet not enough to purchase private insurance. They have difficulty physically working yet are not officially disabled. They are the caretakers for other family members. They are short-term or long-term unemployed. They are homeless or nearly homeless. Every story is unique....we strive to find a way to help each of them with some of their life struggles.

By providing basic medical and dental care, diagnostic services and prescription drugs to the low income, uninsured residents of Brunswick County, with your help, we are enhancing the quality of lives of those who fall between the cracks of our healthcare system.

Did you know that in addition to the personal satisfaction of contributing to your community, your gifts have real financial benefits to you? New Hope Clinic is a qualified 501(c)(3) tax-exempt organization and donations are tax-deductible to the full extent of the law. Did you know there are many different ways to give? From legacy bequests to lifetime donations and gifts in memoriam to honor others; no matter how you choose to contribute, your gifts will become dental procedures and eye exams and medications and a chance for a better way of life for fellow citizens.

For more information on ways to help, call (910) 845-5333 to speak with Sheila Roberts, Executive Director.

Thank you for being a part of the New Hope Clinic story. Happy Holidays!
