

A unique 3-band fundraiser titled “Banding Together 4 New Hope Clinic” is scheduled on September 28, 2024. It will be held in the Woodlands Park in St. James from 3:00-7:00. Our event will include a 50/50 raffle and we’ll also have several great food trucks. Tickets will cost \$20. There will be no rain date.

We’re planning for roughly 500-600 St. James residents in attendance at this 4th annual live entertainment event. If reaching this audience is attractive to you, this is a great marketing opportunity. In total, our previous events have raised close to \$80,000 for Make-A-Wish, Blue Star Mothers (who donated the funds to Stop Soldier Suicide) and the St James Service Club.

This year’s event host is the New Hope Clinic, a 26 year old 501(c)3 organization. All funds raised will help them to accomplish their mission to provide healthcare for uninsured and low income residents of Brunswick County. Please check out their website at newhopeclinicfree.org for a complete overview of their impressive services and history. **This year’s goal is \$40,000.**

I’m reaching out to solicit your support by agreeing to be an event sponsor. I’ve attached our sponsors package that explains the benefits at each sponsor level. If you would like to be a sponsor, please forward your completed form and **check made payable to: New Hope Clinic and mail it to the address below.** You can also go to their website noted above and **donate online, but please note your business name and Banding Together.**

We will also accept equivalent In-Kind sponsor donations for our raffle.

We really appreciate both your consideration and anticipated support for this great organization. For those sponsors of our previous fundraising efforts, thank you and we look forward to your continued support. Please contact me with any questions. We need all sponsorship commitments **no later than June 30th.**
